Company : Holistic Healthcare Clinics

Location : London W1T

Email : jobapplications@holistichealthcareclinics.com

CV required: Yes

Type of Job: Leave Out

Salary Range: 21000 to 45000

Central London Osteopath (Charlotte St). Full Time or Some Part Time. We are currently recruiting for an experienced Osteopath to join a leading Multi-Disciplinary Private Healthcare Clinic in Central London. As an Osteopath you will be responsible for providing a high standard of assessment, diagnosis, evaluation, treatment and advice to private patients. You will work alongside Physiotherapist, Chiropractors, Sports Therapist and Acupuncturist. You will be provided with ongoing CPD training.

We provide a full list of patients and massage clients to help build your patient list

Your role will include to

- Undertake a comprehensive assessment and formulate a diagnosis of patients who may have complex conditions including multi pathology.
- Use well developed clinical reasoning of the patient's needs and provide clinic treatment.
- Provide massage services for new patients to help build a private clinics list
- To work as an autonomous practitioner taking responsibility for the management of patients on own caseload without direct supervision.
- Maintain patient documentation, records and accurate statistical information to reflect care provided and to meet professional standards and clinic policies.

Essential Skills

- BSc or Equivalent in Osteopath
- Current GOSc Registration
- Excellent communication skills.
- Good interpersonal skills.
- Good working knowledge of Word/Excel/Outlook
- Excellent organisational and time management skills to manage a caseload
- Ability to work independently.

Desirable

- Ability to convert patients into care (We can train on this)
- Previously worked in the private healthcare sector

Experience: 1 year – Clinical

Education: Bachelors

Language: English
